## Are you a therapist, counsellor or a supervisor for therapists and counsellors?

### Do you feel you can help provide online talking therapy to our visitors?

If you are a therapist, counsellor or a supervisor who feels they could provide online talking therapy via our robust two-way video system from the privacy of your own home or practice, why not sign up for an account today? If you would like to become a registered member of TOSPS, then we would like to welcome you and invite you to read our introduction for therapists page and discover the benefits available to you once you're registered to provide online therapy on our website.

#### Benefits include:

- The opportunity to provide therapy to anyone, anywhere in the world at any time. This will open your customer base up, helping you grow your business while providing a much needed service to the growing number of people now seeking online talking therapy.
- All the benefits of using web based technology enable you to provide online talking therapy without the need to purchase expensive equipment.
- Instantly display your online or offline availability light, giving clients the ability to see if you're available.
