

Let’s take the first steps towards helping children and teens have a happy childhood and future.

Help us to raise funds for our young visitors by becoming ☐ a therapist on our web site.

The Directors of the The One Stop Psychotherapy Shop Ltd - TOSPS - are delighted to announce that TOSPS will donate 1% of the registration fee from every therapist or counsellor towards funding an on line free counsellor to take care of very young visitors.

TOSPS will also be donating money to various charities and sponsoring events to raise money for its preferred charities.

Each time a therapists or counsellor registered with us our pool of charity money will grow by 1 % .The funds will be distributed twice a year to our chooses charities and the good work that the charities will use it for will be covered in special features throughout the year.

In January 2015 if you have a special local charity based anywhere in the world that you would like to be considered to receive a donation we will be uploading information on how to you can supply us with their details and the criteria for inclusion.

Our chosen supported charity is currently Barretstown.

Barretstown was founded by Hollywood actor Paul Newman in 1994. We are a residential camp for children with cancer and other serious illnesses offering a range of adventurous and challenging activities and supported behind the scenes by safe, medicalattention and care – always for free.

Barretstown is a break from hospitals, white coats and medical treatment and a chance for sick children to be children again: to have fun, to make new friends and create newmemories – all within the beautiful and magical setting of Barretstown castle in Ballymore Eustace, Co. Kildare.
