Profile

I am a Qualified Counsellor and a Registered Member of the British Association of Counsellors and Psychotherapists (BACP.)

I am also an Accredited Member of the Federation of Drug and Alcohol Professionals (FDAP).

I have worked extensively with clients with addiction issues, I am attached to a GP surgery and work with clients' with issues including depression, anxiety, PTSD, body dismorphia, low self-esteem to mention just some of the problems that I have helped clients with. I feel privileged to have been a part of so many clients' journeys, working with them to help them to move forward in their lives.
