### Profile

If you're asking yourself those big questions such as; what is my life all about? Why did 'that' happen and how am I ever going to come to terms with it? Why am I here? What next? What is it that will make me happy? Then now's the time to start exploring the answers.

Traumatic and upsetting events have a way of kick-starting this curiosity into the bigger picture of yourself and your life. My passion is to support and guide you to understand yourself and your experiences at a deeper level in order to find resolution and healing, no matter what the past or present issue is that has triggered this yearning to know more.

I use a variety of energy healing tools to help you find clarity on your situation and clear any
